Dear ORD researchers and managers,

Your SHC MIs and Research Area Coordinators (RACs) would like to invite you to join us on Thursday Feb. 28th from 1:30 pm to 2:30 pm EST to learn more about the Sustainable and Healthy Communities (SHC) Research Areas that are being initiated under the SHC draft StRAP. This meeting will allow you to meet the RACs, to hear an overview of the 11 research areas in SHC, to give you a sense of what to expect in the coming months for planning, and to give you the opportunity to ask us questions you might have about the program.

You may be interested in attending if...

- You or your staff are exploring whether you may want to be an output lead
- You'd like to make connections with the Research Area Coordinators
- You'd like to generally learn about where the SHC research program is headed in the near-future

Please join us via Ex. 6 Personal Privacy (PP) and Ex. 6 Personal Privacy (PP)

We look forward to engaging with you!

Your RA coordinators and MIs,

Jennifer Cashdollar (NERL), Intaek Hahn (NCER), Susan Julius (NCEA), Marc Russell (NHEERL), Dennis Timberlake (NRMRL), Doug Young (NRMRL), and Tom Holdsworth (NRMRL)
